## We Love to Read!

For the first time ever, we have a Bais Yaakov Book Club!

Complete with membership cards, our Bais Yaakov first graders inaugurated their new library... by reading non-stop!

Every day, our first graders check out books, read them, and then rate and review them - all while reading away towards their 5,000 minute book goal.

The girls have been blowing our librarians away with the vigor and enthusiasm of their reading, all with smiles on their faces!

Happy reading, girls! :)

## Mom's Night Out

Our Mom's Spring Nite Out was such a beautiful evening of bonding, friendship, humor and inspiration. Our Cheder family has so many talented ladies. On Monday evening, in a tastefully decorated Boathouse Cafe, mothers joined for something really special.

Mrs. Jordana Baruchov's wise words of Torah touched each soul and inspired us to TO - to regroup, refocus and appreciate.

The evening was MC'ed by our super talented Cheder Morah & Mom, Mrs. Aliza Bloom; who had shared with us some of the perils of being Cheder Morah & Mom. From getting a reserved parking spot at the paint store, to spying on your own child throughout the day. Mrs. Bloom led us to get to know each other a little better with games of "Guess Who.." and "I confess..."

Who would think that behind the Cheder video talent there is also an Aishes Chayil who is a phenomenal actress? We couldn't stop laughing how normal daily routines and secrets of a typical Cheder Mom were presented to the audience through the comical act of Mrs. Sara Hurwitz.

We want to thank all the women who have taken time to attend the evening. Thank you to all those who had volunteered to make food. Thank you to the organizers of the event: Mrs. Karen Goldman, Mrs. Melissa Levit, Mrs. Bina Zarkhin, Mrs. Tali Goldfarb, Mrs. Michal Vinnik, Mrs. Rivky Over, Mrs. Shani Zanziper, Mrs. Devorah Krupnik, and Miss Devora Binder. If you didn't have a chance to participate in \$18 to defer the costs of the event, please do so now. You can pay via the Paypal link sent to your email.

We look forward to more N'shei events. If you'd like to share an idea or a talent, please contact Mrs. Karen Goldman at [kjwisotsky@gmail.com](mailto:kjwisotsky@gmail.com).

4th graders "Go Professional" with their Curriculum Songs

Rabbi Alter bringing the 1st grade **פרשת נח** learning to life as the **תלמידים** build their own **תיבה** and paint it with "כופר".

On their quest to complete the entire **ספר ויקרא** our 6th grade began a series of seven shiurim on the **פרשיות** of **תזריע-מצורע**, the only two **פרשיות** the **תלמידים** have not yet learned in class. The shiurim are being presented by Rabbi Seldowitz and a special booklet was prepared to assist them in this limud. We are so proud of the talmidim's excitement to learn and understand the unique subject of **צרעת**!

Fathers & Sons Grow Together (continued from front cover)

the special nature of the ימי הספירה. The 49 days of ספירה are often referred to as מטמונים, a compound word of מ"ט מונים, meaning to count 49 days. How-

ever, a מטמון is also a hidden treasure. Similarly, ספירה is connected to the gem סנפרינון, the sapphire or crystal stone the לוחות were made of.

The days of ספירה are our chance to shine beautifully in the eyes of ה', explained Rabbi Lazar, as we perfect our מידות טובות and build excitement for our yearly קבלת התורה. The davening was followed by a learning session of a small piece of גמרא במסכת יבמות which discusses the death of the תלמידי רבי עקיבא. With clear pointed questions in a specially prepared booklet created by Rabbi Seldowitz, both fathers and sons joined in lively learning before coming

downstairs for a yummy breakfast.

At the special סעודת ראש חודש, Rabbi Seldowitz asked the boys to share their answers to his prepared questions, bringing home the importance of תיקון המידות and לימוד בחברותא.

The breakfast included an additional very special celebration. Rabbi Dov Kramer was מסיים his learning of מסכת הוריות, in a way that every person, children and adults in attendance were brought in to the final lines of the מסכתא. With his completion of מסכת הוריות Rabbi Kramer was מסיים the entire בסדר נזיקין! The Cheder was so honored that Nechemia's father chose our breakfast to celebrate this very monumental accomplishment.

Mr. Asarnow's fifth grade class recently recreated the quiz show To Tell the Truth. Aaron Shapiro, Avraham Rothenberg, and Aharon Feinsod each played the role of George Washington. Binyamin Cohen played the role of Master of Ceremonies. The other students were the panelists. Two of the "George Washingtons" gave false answers to questions posed, while the third gave correct answers. The students had to figure out which George Washington was telling the truth.
