## CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

### A Message from the Menahel

Our children are everything!

This is illustrated so beautifully in this week's parsha. When Hashem blessed Avraham with "בכל" - "everything," Rashi explains that "בכל" is the gematria of בן a son.

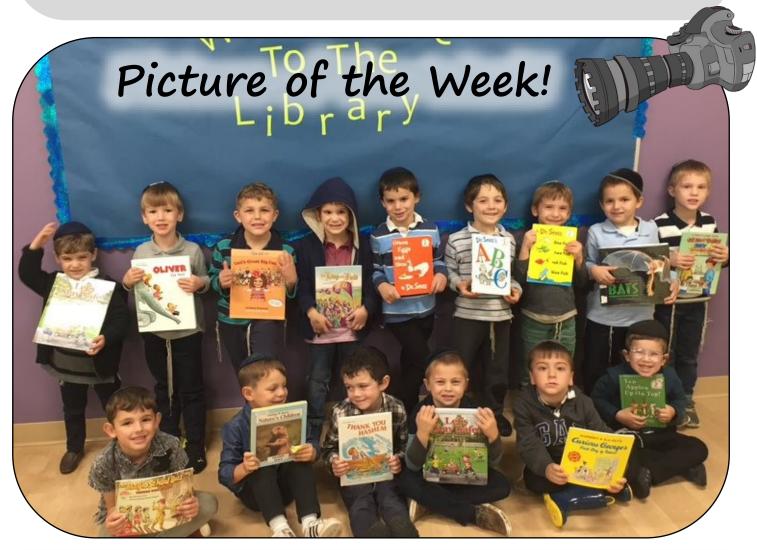

The Mahar''al explains that though Avraham had so many blessings before having Yitzchok, it was only after having a child that the blessings took on real value.

As parents, we know this is how we feel.

As Yidden, we know that this is how we live.

Raising the next generation of עובדי ה' באמת is our prestigious role. It is part and parcel of our individual and all of creation is reliant on the continuity of our Torah communities.

Our children are everything and that's why they are always worth the effort!

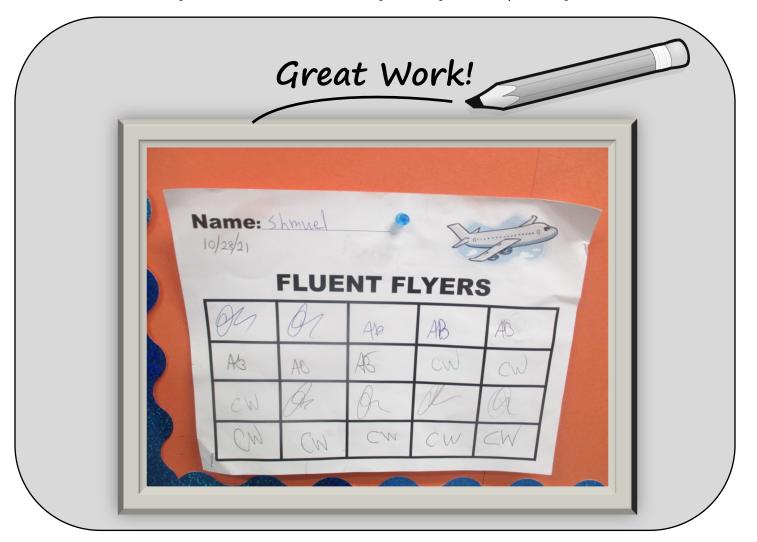

Happenings Around the Cheder

6th grade was treated to a trip to the park after mastering the first אלו מציאות! Thank you Rabbi Salzman for making learning and the park so geshmak!

Shmuel Weitzman is the first to complete a Fluent Flier chart! Great Job!

Happenings Around the Cheder

Yanky Bergstein delivering a dvar Torah on the פרשת to the rest of the 8th grade, beginning a year-long rotation of הרבצת תורה and public speaking.

At the 5th grade weekly erev Shabbos kumzitz!

Learning about rhythm and beat in Music Class!

3rd grade enjoying a new recess activity.

Thank you Rebbe for going the extra mile to make recess special!

Happenings Around the Cheder

Our 8th grade Demoplayers (r) and Slurpublicans (l) parties, collaborating and strategizing on how to win the upcoming elections.

We are ready and focused! i-ready diagnostic testing in 1st and 4th.

A super sauerkraut science experiment in Mrs. Baron's 6th grade science class!

Thank you Mrs. Baron!

### Points from the Principal

The highest level of learning is the being able to teach what you've learned to someone else. As with all kinds of giving, everyone benefits! Teaching to someone else benefits the teacher as well as the student; both gain clarity and a deeper understanding.

This week I saw students teach and learn from each other in our Math Lab. From geometric vocabulary to instructions on how to round, students were Baruch Hashem busy teaching and learning, with everyone gaining!

Have a wonderful Shabbos!

- Mrs. Gilden

#### Coming Up...

- Nov 2 Staff Professional Development
   Day
- Nov 14 Hascholas Chumash (1st grade)

#### Mazal Tov!

- Mrs. Esti Meth (school nurse) on her daughter's wedding!
