

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

This week we were visited by a bear!

This unexpected visit is surely intended to help us shteig as 'עובדי ה'!

Shlomo Hamelech describes a bear as a שוקק - one with endless desire.

This is noticeable in a bears constant restlessness in its search for food.

In our own 'עבודת ה', we also must be always be on the go, constantly looking to further nourish the Neshama.

According to the Mahar"al, this is the meaning of תלכו - שתהיו עמלים בתורה.

עמילות בתורה means not being complacent and always seeking greater clarity.

It mans always being "on the go" in regards to learning and understanding Torah.

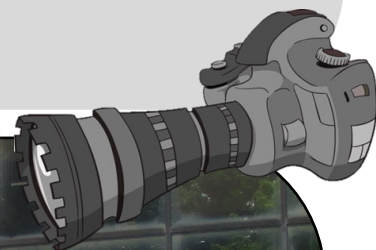

It's not about how much one knows.

It's not about the depth of ones understanding.

Its about how much movement there is ones learning!

It's all about how much we shteig!

performing for the Sequoia Seniors!
Thank you, Rabbi Hollander!

3rd and 4th Grade Choir performing for the Sequoia Seniors!
Thank you, Rabbi Hollander!

Points from the Principal

Baruch Hashem after a year of music lessons, our 3rd and 4th grade blew everyone away with a musical performance at the Sequoia senior center!

The boys performed with a real sweetness, connecting to their audience with songs, recorders and boomwackers. It was so appreciated as the seniors smiled and sang along.

Their fantastic job was celebrated with a beautiful day in the park, filled with lunch, treats, and fun!

Thank you Rabbi Hollander for leading such an incredible program! From the weekly music lessons to the performance to the ball-game at the park, you gave the boys an incredible opportunity and created a moment for them to shine!

Thank you Mrs. Bloom for organizing, and Morahs for all you put into our 'Specials' program.

Thank you Boys for your mitzvos- you truly took care of others on Wednesday... and you are stars!

- Mrs. Gilden

Coming Up...

- June 2 - Pre 1A Siddur Celebration!
- June 3 - Names Not Numbers Event (8th)
- June 2-7 - Kamocha continues!
- June 2-7 - Talmudo B'yado Testing Week
