

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

The unique power contained in the תפילות of בית רבן is due to their purity.

Before the new year begins with חודש ניסן, we all ask Hashem to purify us again with the purity of תינוקות של בית רבן.

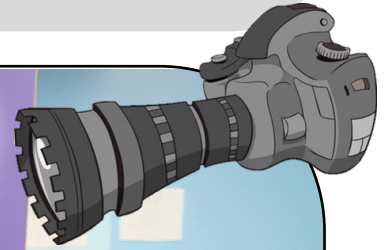

Purity of the heart allows for a clear and meaningful relationship with Hashem.

It is the foundation for the heights an עבד ה' can attain.

With this weeks laining of פרשת פרה, it is an opportune time to purify our minds and the minds of our children from secular entertainment and perspectives.

May Hashem see our efforts to achieve purity and rewards us with pure hearts לעבדך באמת!

Points from the Principal

It's easy to think positively when good things are happening. We got to go on a trip! Math Day is fun!

It can even be easy to find positivity in a tough situation - light shines in darkness.

Even if it's raining outside, well at least we have good games inside! Even if I forget my homework, I can always try again tomorrow!

It's next level to think positively without needing a specific situation.

Every moment we should be thinking about all the good Hashem gives us. I have a car to drive in that is comfortable. I have a friend who I can talk to this second.

Nothing exciting, spectacular or extraordinary happened this week in school. There were no big projects, or fairs, or events.

Let's notice the bracha in our lives, it was BH a great week. :-)
