

# CHEDER CHESHEK

*Your peek at how Chinuch and Cheshek go hand in hand*

## *A Message from the Menahel*

Good food, rest and relaxation.

This was the setting used by אברהם אבינו to infuse אמונה.

ויטע אשל בבאר שבע... ויקרא שם בשם ה'...

Chazal tell us that אברהם אבינו first provided a place for travelers to eat, rest and relax, before imparting to them 'אמונה בה'.

The reason for this is simple.

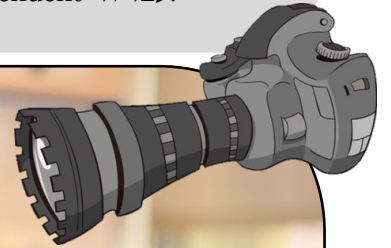

We best absorb and embrace the values we receive after our basic needs are met.

This explains the imperativeness of a warm and supportive home.

This explains the value of a warm and supportive school.

From a happy and supportive home and school, can emerge a happy, strong and independent 'עבד ה'!

## Points from the Principal

What makes an ice cream cone with a cherry on top look so good?

A lot of people don't even like cherries!

It's because the cherry on top makes the ice cream cone look extra special, and we love the feeling of extra special.

Extra special is getting to decorate the cover of the report with the rare colored pencils, to make your report stand out.

Extra special is the privilege of a STEM cart filled with products to enhance creativity.

Extra special is an additional reading club, after school, just for you.

Extra special is knowing that you were thought of, and the prizes picked were just because you like them.

Extra special is a feeling of connection - and knowing that you matter.

You all matter so much! We want to make everything as extra special as possible!

Have a wonderful Shabbos,

- Mrs. Gilden

# Hashem Loves Me

He loves me, He's with me,  
He's always watching over me,

Wherever I am, I'm always with  
Hashem. X2

Let's trust in Him,  
for the small and large

Just keep it to Him,  
He's the One in charge.

He's stronger and smarter,  
than you and me

He's the כָּל יָכוֹל,  
לִישׁוּעָתְךָ קוִי־תִי

He loves me, He's with me,  
He's always watching over me,

Wherever I am, I'm always with  
Hashem. X2

If we only knew,  
how much He could do

We would turn to only Him,  
בְּעֵל הַרְחָמִים

He's there with us, wherever we may be  
There is nothing to fear, כִּי אֵתָּה עִמָּדִי

He loves me, He's with me,  
He's always watching over me,

Wherever I am, I'm always with  
Hashem. X2

Let's trust in Him, He's in for our best,  
Just do your Hishtadlus, and He'll do  
the rest

Don't give up, no matter what, no  
matter when

Because everything in life is up to  
Hashem.

He loves me, He's with me,  
He's always watching over me,

Wherever I am, I'm always with  
Hashem.
