## *A Message from the Menahel*

שבֿת פֿרשֿת זכֿור is a time to remember.

A time to remember who we are and time to remember who we are not.

Amalek represents the influence of evil who seek to impress itself on the purity of Klal Yisroel.

זכֿור את אשר עשה לך עמלק - Remember what Amalek did to you.

In order to remember and guard ourselves from the influence of Amalek, we must first remember who we truly are.

We are pure and holy. We are noble and exalted. We are good and kind.

The evil that we find within us is actually just an outside influence.

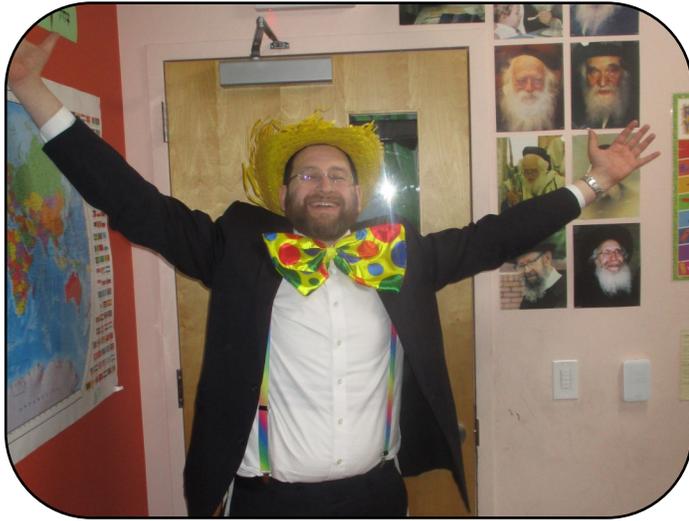

It is what "Amalek" has done to us - the real us.

Remembering who we really are is the best way to remember who we are not!

## Points from the Principal

Thank you for coming to PTC! It is always wonderful having the opportunity to share nachas. If you weren't able to make it you can always reach out - I always have more to share. :)

Speaking of nachas... WOW! 2nd and 4th grade culminated units with fairs - the fairs were enjoyed by all! Books, displays, and interactive activities taught our division about animals and natural disasters. The best part? Listening to the presenters teach what they had learned in a clear child-friendly way, and listening to the observers praise and compliment.

Our teachers put so much into their teaching - when we see their lessons come alive in the words and actions of their students, that's nachas!

Have a wonderful Shabbos,  
Mrs. Gilden
