

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

Great things can come in small packages.

The Medrash tells us that Moshe Rabeinu was bewildered at how the greatness of Hashem's shechina could contract and reside in the humble structure of the Mishkan.

Hashem clarified to Moshe with a timeless lesson, "I can contract myself to reside even in the smallest of places".

The Medrash also tells us that just as Hashem contracted his Shechina to reside in the Mishkan, Hashem also contracts his shechina to reside within each and every one of us.

At times, Moshe Rabeinu's question may come up in our minds; "Can the shechina really reside inside someone like me?!"

Like Hashem answered Moshe back then, the answer is yes!

Picture of the Week!

Nonstop fun and excitement at our Write Right Celebration!

What a way to conclude school before Mid-Winter Break!

Points from the Principal

What's the next program now that Write Right is finished?" "Is there a problem of the week?" "What is the theme of this year's fair?" "What's the next contest?"

The boys' excitement keeps me on my toes, and motivates our program's substantial growth! Everyone returned from vacation with excitement, and a sense of 'newness'. I can't wait to see what accomplishments the positive energy will bring!
