

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

תשפ"ב, it's time to review
 Reflect on the school year of 2022
 Accomplishing milestones in every grade
 Noticing the success and how it was made
 Effort and perseverance to achieve a goal
 BYC talmidos always play the role
 To learn with excitement and a deeper understanding
 Never an end to their knowledge expanding
 Improving middos, aiming even higher
 Lifelong lessons from teachers that inspire
 Thank you, talmidos for doing your best
 Thank you, BYC staff for all that you invest
 Thank you, parents for partnering this year.
 Continued nachas from your daughters so dear!
