

The Preschool Peckelach

Dearest EC Parents,

The months are certainly flying by, and with Spring comes a tremendous awareness of growth -BH!

We are all reflecting on how much growth we've seen ka'h in each individual child as well as our classes as a whole. Friendships that were just beginning to bud are now deeply rooted and "V'ahavta L'raacha K'amocha" can truly be seen and felt in each classroom.

With Parshas Emor, comes an understanding of the cycle of our year as Yidden. As one Nursery student put it this week: "I'll be in Kindergarten after Shavuot, but before Rosh Hashana." Wow! Each class is also watching our miraculous world by seeing their caterpillars form chrysalises (which appear as lifeless-looking creatures) and are awaiting them to emerge as beautiful butterflies! Only the Borei Olam could be behind such incredible intricacies of life!

May all of your kinderlach's learning be filled with the wonder and excitement and joy it is today!!

Have a wonderful Shabbos!

Morah Basya Malka Levit :)

We love Spring!

V'ahavta L'reacha Kamocha! We are learning about Rabbi Akiva and counting sefiras ha'omer each day!

Reading in the library

Kindergarten learns about the aron kodesh for the letter kuf!

Learning & Playing at the Cheder

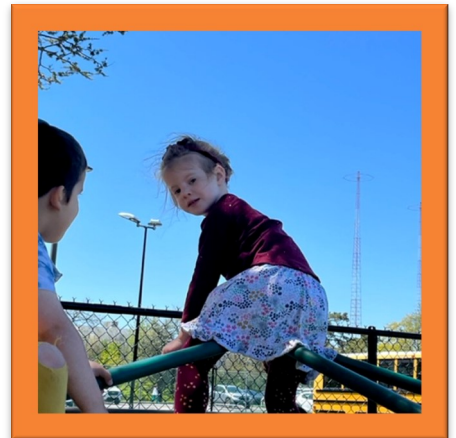

We are...

Writing and coloring

Celebrating our special "os!"

Climbing so high!

Visiting the Beis Medrash to see a real Aron Kodesh with Rabbi Seldowitz!

HAPPY BIRTHDAY April
