*Your peek at how Chinuch and Cheshek go hand in hand*

## *A Message from the Menahel*

Middos really matter!

At our recent Rosh Chodesh assembly for grades 1st-4th, we re-introduced our Middos Matter program.

With a new twist, instead of having our traditional "Midda of the Month," our month's focus is that **all middos matter very much!**

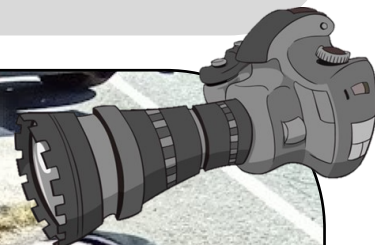

We even asked important questions, including "why do middos matter?"

Through stories about the great tzaddik Rav Shimshon Pincus zt'l, we saw that in order to be a Tzaddik, one must have good middos.

A tzaddik is a dedicated servant of Hashem and a servant of Hashem has to be so flexible in order to do whatever Hashem wants.

May we all grow in our middos and be able to genuinely say **אנא עבדא דקודשא בריך הוא**!

## Points from the Principal

This week was one filled with baselines.

We took the I-Ready and DRA assessments - we now know our present skill level.

We introduced our Middos Matter program with the essential idea that Middos MATTER! All of them! We now have a fundamental understanding of Middos.

Baselines provide insight into ourselves at the moment, and allow us to make realistic goals as well as a plan on how to reach them going forward.

I am looking forward to celebrating our accomplishments together!

- Mrs. Gilden
