*Your peek at how Chinuch and Cheshek go hand in hand*

## *A Message from the Menahel*

מי שטרם בערב שבת, יאכל בשבת - One who exerts effort on Erev Shabbos, eats on Shabbos.

Investing energy into Erev Shabbos preparations, enables us to enjoy the physical and spiritual delights that Shabbos has to offer... Delights that can provide a taste of the experience awaiting us during **ימות המשיח**.

And one that eats on Shabbos...

חז"ל tell us that one who eats and enjoys the three seudos of Shabbos will be saved from the tribulations foretold to occur before the coming of Moshiach.

The Maharsha explains the reason for this incredible assurance.

By delighting in Shabbos, one taps into the **ימות המשיח**, entitling him to skip over the hardships that are supposed to come first.

Our school Shabbos is intended to help us enjoy the spiritual delights of Shabbos.

May it serve as an opportunity to be **זוכה** to all that Shabbos has to offer!

to one of our dear friends from ארץ ישראל. May we join him there soon!

## Great Work!

To my noble and esteemed class  
as Governor  
I Moshe Wiederblank arks kindly for you to vote for me I shall  
display my knowledge by attaching to the fact I took 450 300 lego bricks to  
create an eighteen foot tall replica of the world's tallest building.  
As governor I will help this class reach the noble height that the Clifton Cheder has  
reached. Once I become governor I shall benefit upon the teacher for extra recess  
I shall ask the president Mr. Gold Ring to add some books to our nice library.  
Please vote for me because I shall ask the president Mrs. Goldberg to let us play the  
spelling and vocabulary much more often than we usually do. As a candidate I shall campaign  
promising to give each student a different rubber twisty ball, one yellow  
hot wheels car, a set of two stickers, and for the grand prize a new memo note book.  
With that I shall conclude my campaign speech.

# Clifton Cheder voted for GOOD MIDDOS

Our Lower Division successfully ran campaigns and a voting day, ALL WITH GOOD MIDDOS!

# Clifton Cheder voted for GOOD MIDDOS

Cholent or Smores Bars?

Smores Bars wins... With good middos, everyone wins!

## Points from the Principal

Baruch Hashem we made it through the election process where MIDDOS MATTERED THE MOST!

The 4th grade began with a small primary election, nominating tasty candidates that the Lower Division could share with each other. The winning candidates were S'mores vs Chulent.

The campaigning began as the 4th graders wrote speeches, slogans, and decorated the school with campaign signs.

We held an election and S'mores won! YUM!

Thank you 4th graders for making S'mores for all and for providing our department with a dish to give each other to promote achdus and ahavas Yisroel... along with a compliment and kind word of course!

Have a wonderful Shabbos!

- Mrs. Gilden
