Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

There is excitement and joy at a new beginning.

This week we celebrated the 5th Grade's new beginning of limud Gemora.

We celebrated a new year of mitzvos with the fruits of the trees.

We celebrated a talmid's first day wearing tefillin.

As Klal Yisroel approached Har Sinai, they were charged with the mindset of constant renewal.

ביום הזה באו מדבר סיני - שיהיו דברי תורה חדשים עליך כאילו היום נתנו

We display this renewal through our excitement, creativity and delight in our 'עבודת ה'.

We can observe it up close in our dynamic Rebbeim and how it reflects in the talmidim.

This is what we strive for here every day.

This is what we hope to strive for all life long!

Points from the Principal

Baruch Hashem we had a week of assessments... a scheduled time to have nachas!

Pre1a boys had well deserved nachas when they recognized they can suddenly write, and students finishing i-Ready had nachas when they saw that their scores went up. Teachers took time to recognize growth, and were filled with nachas from their students. Everyone is growing in some way, and it's important to recognize the growth and celebrate it - whether academic, in middos, or otherwise.

After all, nachas fuels motivation for continued efforts!

So give each other nachas, and have a lot to of nachas!!!

Have a wonderful Shabbos!
