

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

Rav Shlomo Wolbe zt"l is quoted as saying that כבוד פרשת אמור focuses on respect - כבוד.

The פרשה begins with the self respect that כהנים must have for their elevated status.

The פרשה continues with the respect needed for Hashem's holy עבודה of the קרבנות.

כהנים that are not physical fit for the עבודה display their respect by abstaining from participating in this holy task.

Similarly, animals that have certain deformities are disqualified from serving as a קרבן.

I heard Rav Moshe Schapiro זצ"ל say that the first 32 days of ספירת העומר are intended to improve in the midda of כבוד.

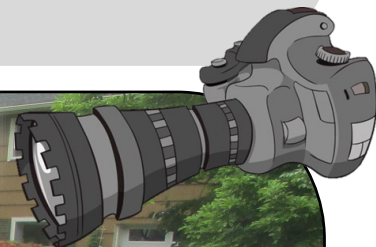

כבוד for ourselves, כבוד for others and כבוד for the special עבודה we are privileged to engage in.

The גמטריא of כבוד is 32.

By developing the midda of כבוד properly, we are deserving and able to celebrate day 33 - ל"ג בעומר.

The day where כלל ישראל shines in being נהוג כבוד זה לזה.

First Aid Safety Presented by Hatzala!

‘כתה ד’ biking trip to the park! Thank you Rebbe!

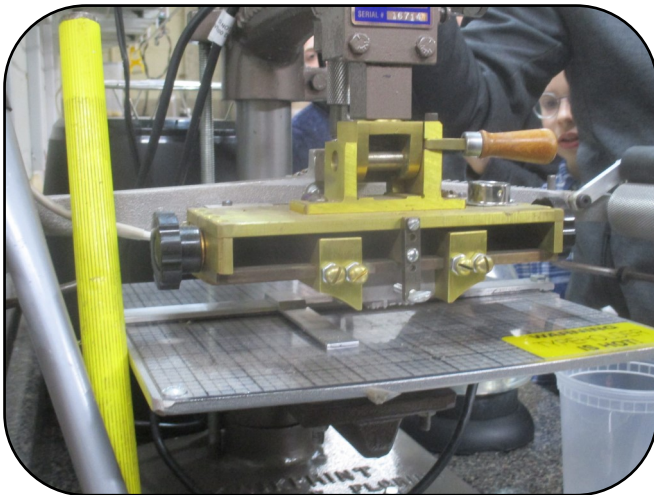

5th Grade learned about the interesting world of הלכה in a business. From שעטנו to הלכות שבת, a Yid must always put the 'רצון' first!

A special thank you to R' Moshe Jacobowitz for treating our talmidim to such a special experience!

Points from the Principal

We had another fabulous week of Safety: Taking care of ourselves and taking care of others! This week we learned about first aid. From getting quizzed on Hatzalah's phone number to having actual Hatzolah members coming in and teaching us, we learned a lot! We learned about nosebleeds, what to do when we get a cut or hit our head, when to call Hatzalah and more! Thank you, Mr. Nissi Merenstein and Mr. Moshe Pahmer for coming in, teaching us about first aid, and showing us your truck and equipment!

Boys - I am noticing you stop, notice, and do a lot of good as you take care of yourself and others. Keep up the great work!

Have a wonderful Shabbos!
