

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

The *פסוק* in משלי states, "דרכיה דרכי נועם," The path of those who follow the תורה, is one of pleasantness. This year at BYC, the year of תשפ"ד, we will learn to appreciate that for a yid the sweetest path is the path of the תורה הקדושה. Following the path of the תורה goes hand in hand with perfecting our מידות as we grow in our עבודת ה'.

The *זהר* explains, that נח was נח בהילוכו, נח במעשיו and נח בדיבורו. His speech, walk and actions were the epitome of pleasantness. Therefore, נח was 'מוצא חן בעיני ה' and saved from the מבול.

During these trying times our BYC תלמידות are working to improve their דרך ארץ for each other.

May we all be זוכה to be 'מוצא חן בעיני ה'.

Happy Birthday!
