

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

The real chinuch is done at home!

This year, Chanukah sets in together with a break from school.

We look forward to reinforcing all the beautiful lessons the talmidim absorb at home, upon their return to Yeshiva on Tuesday, day 5 of Chanukah.

This is symbolic of how the נס חנוכה came to be as well.

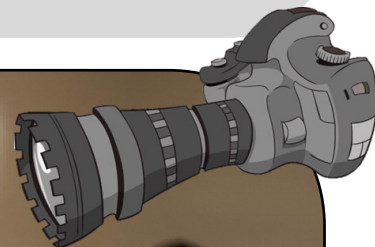

The flames of the menorah were kept miraculously lit only after the אידן started the process with the פח שמן.

Once we ignited the flames of the מנורה, the lights continued to shine brightly through a higher power.

Here in Yeshiva, we also take the bright lights kindled in each home and try to tap into the necessary סייעתא דשמיא to support them in shining brighter and stronger each day!

Enjoy your ליכטיגע נחת!
