

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

Motivation is the feeling we have inside when we are doing something that is bringing us toward what we really want or value. When we are motivated by a goal, we feel like we can do anything.

In this week's פרשה אבינו, פרשה יעקב אבינו, felt so motivated by the goal of marrying רחל that the 7 years that he worked for her was "כימים אחדים" like a few days.

Once we learn to focus on goals and harness the power of motivation, we can use it to bring the best out of ourselves and others.

Our תלמידות are motivated to learn, our teachers are motivated to inspire. At BYC it's one team, one goal!

Happy Birthday!
