

# CHEDER CHESHEK

*Your peek at how Chinuch and Cheshek go hand in hand*

## A Message from the Menahel

The objective of a Yeshiva is to be מעמיד תלמידים, which literally means to stand up talmidim.

A Yeshiva must teach and inspire its talmidim to make a lifelong pursuit of the - “על שלשה דברים העולם עומד” -

The three things the world stands on - תורה, עבודה וגמילות חסדים.

These three areas were all celebrated this past Sunday with our 3rd Grade Haschalas Mishnayos (תורה), 4th Grade Haschalas Shemone Esrei (עבודה) and greeting the building sponsor of our Boys Elementary wing (גמילות חסדים).

Celebrating what is important to us solidifies to ourselves what we truly value and inspires us for the future.

What a zechus to know what really matters in this world!

What a zechus to do what really matters in this world!

May we continue to be מעמיד תלמידים הרבה and thereby keep the world standing as well!

Our 4th Grade Talmidim excitedly began שמונה עשרה! Though it was hard to wait until 4th grade, the talmidim are truly ready to be עומד לפני המלך, an integral part of this foundational תפלה! The pictures below are of the talmidim sharing l'chaims with Cheder Rebbeim and receiving their brachos for a life of meaningful תפלה!

## Points from the Principal

The feelings of success and accomplishment are powerful motivators that build us up and keep us going.

How do we take these feelings, and make them concrete?

Get ready for upcoming end of unit celebrations and fairs! When we finish writing a book or making a project after learning a lot, we can see for ourselves what we have done and feel proud!

It is very satisfying to have a goal, work towards it, and then celebrate.

It may seem like a lot of work we are doing now, but as we finish up and put on finishing touches, get ready for nachas! :)

Have a wonderful Shabbos!
