A Message from the Menahel

Chanukah is the Yom Tov of תורה שבעל פה.

The Rambam famously states that the mitzvah of חנוכה נר הדלקת is עד מאד חביבה - very beloved, a statement not found in regard to other mitzvos.

Perhaps these two points are related.

The mesorah of תורה שבעל פה is only successfully transmitted through a loving connection.

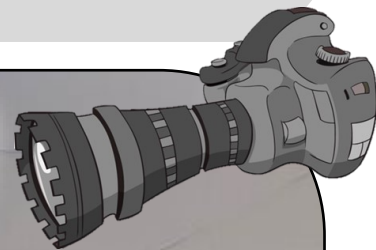

The relationship between father-son and Rebbe-talmid is what lights the flames of the next generation and fuels the passion that will continue to perpetuate the מסורת התורה forever.

How fortunate we are to have Rebbeim and Teachers who are so emotionally invested in our children!

Their love is what makes every day of learning last a lifetime.

Their love is what turns every days' learning something that will last for eternity.

Points from the Principal

There was so much appreciation in the air this month of Kislev! Our Middos Matter books gave only a tiny glimpse of what was going on in school. Letters, gifts, and celebrations of sincere appreciation were created and shared. Everyone gained. The 'receivers' loved the feeling of being appreciated, and treasured the words, thoughts, and actions given to them. The 'givers' shone, as they used an entire process of reflecting, thinking, and creativity expressing themselves.

Baruch Hashem we have so much to appreciate!

Please enjoy our Middos Matter book of SHOWING appreciation!
