

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

This weeks פרשה has the all encompassing מצוה of ואהבת לרעך כמוך.

This important מצוה is the key to positive relationships and social success.

אחדות is מידת החדש Our.

It is truly exhilarating to observe how so much attention is being given to the מדה in and around our classrooms. Girls are working together, being inclusive and having respect for one another. Our תלמידות are aware that צלם אלוקים everyone is created with a. Everyone is created in the image of ה', has value and deserves the proper respect.

As we grow together in this area, we daven to be זוכה once again to the אידען that the אהדות had at הר סיני - ויחן שם ישראל!

Happy Birthday!

מידת החדש:
אחדות

In a place where no one else can see

I have a special part of me

It's called a צלם אלוקים

I have it deep within

Every minute of the day

No, it never goes away

And now I have some news for you

Guess what? You have one too

It makes me glow, it makes me shine

It makes me special and it's mine

My צלם אלוקים

Makes me a gem

I have קדושה of 'ה!
