## A Message from the Menahel

אין שמחה כהתרת הספקות

There is no simcha like the removal of doubt.

The clarity to do what is right and to act on it leads to the greatest simcha of all.

The light of the Menorah symbolizes this clarity.

Hashem's appreciation for the clarity demonstrated by the Chashmonaim was communicated through the נס of the oil.

The Satmar Rov זצ"ל writes that this is also the reason חז"ל were מתקן to celebrate the victory over the Greeks with the mitzvah of הדלקת נרות.

Our נרות show that the clarity of אמונה as taught in the תורה can and will overcome all obstacles.

It is clarity that removes all doubt and brings us to true simcha!
