

# CHEDER CHESHEK

*Your peek at how Chinuch and Cheshek go hand in hand*

## *A Message from the Menahel*

Planting takes patience!

The growth we enjoy afterwards makes it worth it!

At the beginning of **פרשת וארא**, Hashem tells Moshe to maintain a pleasant and patient approach with **בני ישראל**.

With this approach, **בני ישראל** grew until they were worthy of **יציאת מצרים** and **קבלת התורה**.

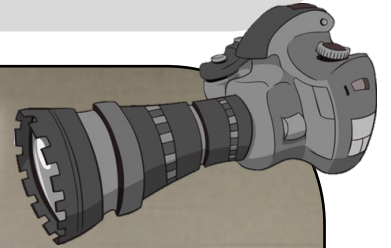

This past Rosh Chodesh, the entire yeshiva enjoyed delicious fruit platters, beautifully prepared by our 7th grade.

The sweet results of patient planting was tangible to all.

How appropriate it is to lein these **פרשיות** during **חודש שבט**!

With a patience and pleasantness, we will all grow to our sweet potential as **עובדי ה' באמת**!

## Points from the Principal

What's the worth of 2 minutes?

In 2 minutes you can improve your reading, handwriting, or math skills with regular practice.

2 minutes is enough time to play a short game of tic-tac-toe, who's got the bigger number, or connect 4.

In 2 minutes you can help a friend, make a bracha, run a quick favor, or give yourself a jolt of TLC with a short drink or a small break. 2 minutes can do so much!

Baruch Hashem we are gifted with minutes, let's show appreciation and use them well!

I hope you enjoyed our latest Middos Matter book on showing appreciation!

Have a wonderful Shabbos!
