*Your peek at how Chinuch and Cheshek go hand in hand*

## *A Message from the Menahel*

Our personal choices have big impacts.

As a nation, we have a מצוה to rid the world from עמלק.

As an individual, we have an obligation to rid ourselves from all different forms of negativity.

Though these two obligations seem loosely connected, they are actually one and the same.

Every Yid's choices in life impact himself and the world at large.

כלל ישראל tell us that good in this world reflects the level of goodness found in חז"ל.

להבדיל, the evil in this world is also a reflection of how much negativity we collectively carry.

With this fact in mind, the global and personal war against עמלק are one and the same.

What unfolds in the news is a reflection of what unfolds within us.

May we all take the lessons of פרשת זכור to heart and fully reveal our true positive essence this פורים!

## Great Work!

If I were... 100

If I was turning **100** today, "Happy Birthday" all my friends would say. I'd have a party and invite **100 people**. I'd blow out **100** candles and make a wish for **100 sheep**. How exciting it would be to open **100** presents! I'd love to get **100 gifts** but not **100 lines**! I'd sing a little song about **100 words** and then dance my best with **100 monkeys**. What a day to remember! I'd fall asleep and dream of **100 trees** or **100 chips**, but definitely not **100 mirrors**! How grand turning **100** would be!

If I was turning **100** today, "Happy Birthday" all my friends would say. I'd have a party and invite **100 people**. I'd blow out **100** candles and make a wish for **100 rollers**. How exciting it would be to open **100** presents! I'd love to get **100 flags** but not **100 dogs**! I'd sing a little song about **100 lains** and then dance my best with **100 fremp**. What a day to remember! I'd fall asleep and dream of **100 cows** or **100 crumbs**, but definitely not **100 bugs**! How grand turning **100** would be!

## Points from the Principal

What a happy week!

100th day celebrations, using the window as a board when the class was turned around, making hamantashen, and lots of jokes... Purim is coming!

What was so special was that the boys noticed what their teachers were doing for them, and showed appreciation with kind words and extra assistance. In turn the teachers were inspired to do and give even more.

When a boy looks for you in order to thank you, you'll offer him the world!

Wishing you a simchadik Purim!

Have a wonderful Shabbos!

- Mrs. Gilden
