

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

נסיונות are an essential part of bringing out the greatness from within each and every one of us. Through adversity and struggle we stretch ourselves to the limits of our abilities and discover our true potential.

Rav Samson Raphael Hirsch says the Hebrew word for test, נסיון, is related to the word נשא, meaning to raise or to elevate. Every test, every challenge is an opportunity to move forward, to grow, to become stronger and to bring out the גדלות האדם.

As we read through the פרשיות of ספר בראשית, we learn about the strength that the אבות displayed in overcoming their נסיונות. We, as yidden, inherited this ability from our אבות.

Our BYC תלמידות are gaining awareness to notice when they can find the greatness from within and overcome the small daily נסיונות that come their way. It's up to us to turn our נסיונות into moments of greatness!

Happy Birthday!
