Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

ויחי יעקב - And Yaakov lived.

What an interesting way to name the פרשה of Yaakov's פטירה.

But in truth, Yaakov lives on.

The dedication we display in upholding his מסורה, both personally and with the next generation, keeps Yaakov alive even in this world.

The dedication of his burial spot in מערת המחפלה further displays his tangible imprint to this day.

What a privilege to still be connected to our illustrious grandfather!

What a privilege it is continue his מסורה of connecting to Hashem!

Points from the Principal

'Because' is a very special word. It shows *why* you think what you think!

I like sports because it is fun, is different from *I like sports because it is exercise!* The *because* helps the listener really get to understand your thoughts.

I love hearing everyone's sentences during our Right Voice program, because it lets me learn so much about everyone!

Thank you for sharing your sentences and your thoughts!

Have a wonderful Shabbos!
