

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

What is the greatest ברכה we can receive?

Upon completing all the parts of the משכן, Moshe Rabeinu bestowed a monumental ברכה on Klal Yisroel.

שתשרה שכינה במעשה ידיכם - That the שכינה should dwell on your efforts.

Nothing is truly successful without סייעתא דשמיא...

...One does not receive סייעתא דשמיא without pure intent.

When one does see סייעתא דשמיא enabling their efforts to be successful, it serves as a litmus test proving the pure intent that generated it.

Thanks to the dedicated efforts of so many individuals, our campaign was blessed with סייעתא דשמיא.

The סייעתא דשמיא we received proved the pure intent of all our campaign ambassadors, all seeking to support our children's 'משכן ה'.

May we continue to see the שכינה תשרה במעשה ידינו, with only Yiddeshe nachas עד ביאת גואל צדק!

AAA Snow Tubing Trip!

A black and white photograph of a telescope mounted on a tripod. The telescope is positioned horizontally, pointing towards the left. It has a large objective lens at the front and a smaller eyepiece at the back. The tripod is made of three legs, with the front two legs visible, extending downwards. The background is plain white.

Points from the Principal

This week was filled with math, culminating into a special Pi Day event!

We enjoyed math stories, sudoku puzzles and math challenges. We measured our height and our jumps in a variety of ways. We collected various data.... did you know most boys in our division chose basketball as their favorite sport?

We bounced balls playing Skip-It, and created Edible Fractions. We made beautiful Radial Balance art projects... Hashem makes things beautiful for us by creating a balance!

Pi is a special number that helps us measure a circle.... what better gift than a yo-yo!

Math is all around us, and is important as it allows us to do so much.

I hope you enjoyed the day! Have a wonderful Shabbos!

Dearest Parents שיחיו,

During Purim day we all make special effort to visit our closest friends and family, despite the hectic schedule it demands.

One of the hallmarks of our special school is the close relationship our devoted rebbeim, moros and teachers develop with you and your children. Seeing you and your child on the day of Purim would give us true simcha and we are confident our feelings are shared.

On behalf of all our staff, I encourage you to visit and look forward to seeing you!
