

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

One of the hardest but greatest things to do is admit when we have been wrong.

יתרו, was a famous and well respected מדין כהן who served every עבודה זרה. In this weeks פרשה יתרו said "ה' is greater than any other עבודה זרה in the world. יתרו was able to admit the truth that he had been wrong in all his beliefs. He gave up all his fame and glory to come and join the אידן in the מדבר.

Recognizing the אמת and admitting the truth takes courage.

This month we are focusing on באמת גדולה. Speaking, thinking and acting in an אמתדיג way!

Happy Birthday!

Looking UP to our גדולים

תהא שנת פ" גדולה

ר' יעקב קמנצקי זצ"ל

גדולה באמת

ר' יעקב was very careful to keep his word even if something else important came up or he knew that the person he committed to would understand.

Someone in Monsey, where Reb Yaakov was living in his later years, was donating a ספר תורה to a shul. He very much wanted the גדול הדור to be at the ספר תורה, so the man discussed with ר' יעקב before choosing the date. A short time later, one of ר' יעקב's granddaughters became engaged and the vort was scheduled for the same day in Baltimore! It would be impossible for ר' יעקב to attend both. True to his word, ר' יעקב did not miss the הכנסת ספר תורה. Instead, he went to Baltimore for the Shabbos before the vort to celebrate with his family and back to Monsey on Motzai Shabbos for the next day's הכנסת ספר תורה. To ר' יעקב his word was his word and he was extremely careful not to go back on something he had committed to.
