

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

The secret to both chinuch and self-growth is really very easy and simple.

The secret lies inside each person.

It's so close, we don't even need to go anywhere!

כי קרוב אליך הדבר מאד

This week's פרשה confidently states that each individual's path to קרבת אלוקים is easily found within them.

We all have such beautiful neshamos that naturally connect to Hashem.

With this confidence in ourselves and others, that neshama is easily ignited and shines!

May we all be זוכה to seeing this clarity in ourselves and others.

It is so simple, with a bit of סייעתא דשמיא, it is always easily found!
