

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

The sign of a Gadol is how he relates to the קטן.

The Kohen Gadol was responsible to bring כפרה to the smallest men of the nation.

Our Gedolim have always distinguished themselves in caring for the small details around them.

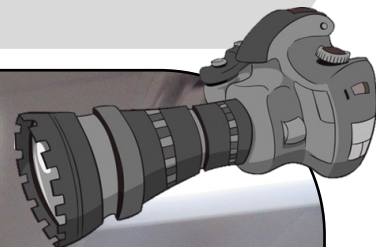

The Gedolim of our Yeshiva, our chashuve 8th grade, brought simcha to all the classes in yeshiva this פורים קטן. By doing so, they modeled the way of a Torah'dike Gadol.

A Torah'dike Gadol also knows how to relate to himself when he experiences feelings of smallness and lack of success.

He is able to care for himself at those times and nurture his neshoma with thoughts of Hashem's love for him, אמונה and the knowledge that the smallness will pass and he will yet feel great again.

Points from the Principal

Instruction + awareness + accountability = writing with CLASS!

This week we launched a handwriting awareness program. By writing with **C**lear letters, on the **L**ines, **A**nd with proper **S**paces and **S**izes, we can create legible and satisfying writing.

Of course we also enjoyed, and as a **class** will earn some pretty **classy** prizes!

Have a wonderful Shabbos!
