A Message from the Menahel

מעשה אבות סימן לבנים

With the spiritual DNA of our אבות, we are literally born for greatness.

The greatness of Avraham and Yitzchok was actualized at עקידת יצחק.

ל"ח tell us that through the עקידה, Yitzchok showed his victory over Yishmael as the true son of Avraham.

This greatness and victory is in our spiritual DNA.

By devoting ourselves **totally** to Hashem's will, we actualize the greatness invested in us by our אבות.

Now as we once again face the threat of Yishmael we can be confident in our winning recipe for triumph.

Total devotion to Hashem is what is needed.

Putting Hashem's interests as our top priority, prioritizes our security above all else.

בטל רצונך מפני רצונו, כדי ש'יבטל רצון אחרים מפני רצונך
